OUR SPEAKERS:

JOHN CLINE

John Cline is the co-founder and CTO of ShelfLife. Prior to joining ShelfLife in 2020, he led engineering teams at various companies in NYC including Google, Blue Apron, and eBay. Before joining tech, he worked in government for Homeland Security and served in the United States Air Force. John also created a mentorship program with Mouse.org for CUNY students to help prepare them for their first internships and jobs in tech.

EMILIE HSIEH

Emilie Hsieh is the founder and CEO of Allie, a digital coach that helps companies measure and improve diversity and inclusion. She started her career as a management consultant to Fortune 500 companies where she saw firsthand the impact of team dynamics and working styles on culture, inclusion and belonging. Emilie helped launch a career prep and mentorship program for Computer Science students at Mouse.org and holds a BSE from Northwestern University.
